

Bike & Mountain

Mtb, Canyoning, Mountain by Gianfranco Sappa

BIKE&MOUNTAIN was founded with the aim of promoting outside sports holidays dedicated to mountains, snow and water, mixing them together with a love of mountain biking. It's based in the Aosta Valley, a small region in the north-west of Italy at the foot of the Alps highest group of mountains: Monte Rosa, the Matterhorn and in particular Mont Blanc.

Access is easy from main airports such as Geneva, Turin and Milan
